A Fairy Tale

Why Day and Night Are Not Friends

after Viktor Vasylichuk

This is Day the Dog. He's white.
That is Night the Cat. He's black.
They are friends.
They live in the forest.
They like the forest.

They like to walk among* the trees.
They like to run after the butterflies.
They like to play in the green grass
and bright flowers.

* among — серед

Day the Dog and Night the Cat often go to see Summer the Hedgehog.

He gives them tasty apples. They have them for breakfast.

Then they visit Autumn the Fox. They bring her grapes* and apple pies. They have dinner together. When the friends go home Autumn the Fox gives them nuts and mushrooms**.

* grapes — виноград

** mushroom — гриб

It's cold in winter. There is snow in the forest.

The animals like to ski every day. Winter the Bear sees them and greets them.

Jumper the Squirrel sees Day the Dog and Night the Cat and wants to play with them.

In spring Winter the Bear, Autumn the Fox, Summer the Hedgehog, Day the Dog and Night the Cat go to Spring the Bird. They have tea and raspberry* jam together.

* raspberry — малина

Sometimes Rain, Snowfall* or Heat** come into the Forest. Then Day the Dog and Night the Cat sleep together on the sofa in the room. Creepy the Mouse sleeps in the house too.

In the morning they don't see Creepy the Mouse in the house. Night the Cat cries and asks Day the Dog, "Where is my mouse? I can't see Creepy the Mouse. Give me my mouse back!"

* snowfall — снігопад

** heat — спека

At night Day the Dog and Night the Cat don't sleep together. The cat sleeps on the chair. The dog sleeps under the chair.

After that everything changes. When Night the Cat wakes up Day the Dog runs away. Do you know why?
